SOUTHINGTON PUBLIC SCHOOLS PRESENTS:

# FAMILY MATH NIGHT

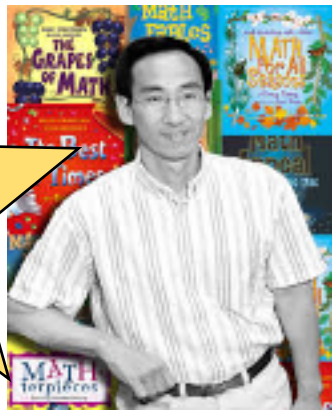
## RESERVE YOUR SPOTS TODAY!

**Parents:** Award winning author and math expert, Greg Tang Sr. will engage parents in an unforgettable math education experience that is **sure to deepen your understanding of how your children learn math.**

**Students:** While parents are learning with Greg, children will participate in a series of 5 different challenging and engaging games that are **sure to get them excited about learning math!**

**All:** Parents join their children for the last 15-20 minutes of the night to **play games as a family.**

Coming January 3rd!



## Bring in the New Year with a New Understanding About Math!

## K-5 FAMILY MATH NIGHT

Having trouble **helping your kids** with math at home?

Do you want to learn more about the math **skills, concepts and strategies** your children need to know?

Wondering why **math is taught differently** today than when you learned it?

**THEN,THIS NIGHT IS FOR YOU!**

**When:** January 3, 2018

**Where:** DePaolo Middle School

**Time:** 6:00-7:30 pm

**Register ONLINE TODAY:**
