

Frequently Asked Questions (FAQs) About

FREE SCHOOL MILK

Dear Parent/Guardian:

Southington Public Schools offers choice of low-fat and nonfat milk each school day. Children may buy milk for \$.60. Children who qualify under the U.S. Department of Agriculture (USDA) guidelines may get milk free. For more information, please call your child's school. This packet includes an application for free milk benefits and detailed instructions.

NOTE: Children receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Family Assistance (TFA) or Medicaid (HUSKY) benefits *may* be directly certified and automatically eligible for free milk without applying for benefits. Questions regarding SNAP/TFA/Medicaid and direct certification should be sent to the determining official, **the school principal**.

If you have received a NOTICE OF DIRECT CERTIFICATION for free milk, **do not** complete the application unless instructed to do so by the district. Let the school know if any children in your household are **not** listed on the **Notice of Direct Certification** letter you received since free milk benefits are extended to all children in a household when directly certified.

Additionally, all school-aged children in income-eligible households can receive school milk benefits regardless of a child's immigration status and the district/school does not release information for immigration-related purposes in the usual course of operating the Child Nutrition Programs.

The answers to the common questions below can help you with the application process.

1. Who can get free milk?

- All children in households receiving SNAP or TFA benefits are eligible for free milk. Note: *Some* students receiving Medicaid (HUSKY) benefits are eligible for free milk.
- Foster children that are under the **legal** responsibility of a foster care agency or court are eligible for free milk. (Note: A foster child is categorically eligible for free milk and may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free milk benefits, an eligible foster child will still receive free benefits.)
- Children participating in their school's Head Start program are eligible for free milk.
- Children who meet the definition of homeless or runaway are eligible for free milk.
- Children may receive free milk if your household's income is within the limits of the Federal Income Eligibility Guidelines. Your children may qualify for free milk if your household income falls at or below the limits on this chart:

2. **How do I know if my children qualify as homeless or runaway?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and you have not been told your children will get free milk, please call or e-mail your child's school.
3. **Do I need to fill out an application for each child?** No. Use **one** *Free School Milk Application* for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to your child's school.
4. **Should I fill out an application if I received a letter this school year saying my children are already approved for free milk?** No, but please read the letter carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact your child's school immediately.
5. **Can I apply online?** You can print out application from online and then send into your child's school. The online application has the same requirements and will ask you for the same information as the paper application. Visit www.southingtonschools.org to begin or to learn more about the online application process. Contact nwelinsky@southingtonschools.org if you have any questions about the online application.
6. **My child's application was approved last year. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). When the carryover period ends, unless you are notified that your children are directly certified or you submit an application that is approved, your children's must pay for their milk. Though encouraged to do so, the LEA is not required to send a reminder or a notice of expired eligibility.
7. **I get WIC. Can my children get free milk?** Children in households participating in WIC **may** be eligible for free milk. Please send in an application.
8. **Will the information I give be checked?** Yes. We may also ask you to send written proof of the household income you report.
9. **If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free milk if the household income drops below the income limit.
10. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing: Sherri DiNello, Director of Business and Finance, 860-628-3200 Ext. 212, 200 Main Street, Southington, Ct. 06489
11. **May I apply if someone in my household is not a U.S. citizen?** Yes. You, your children or other household members do not have to be U.S. citizens to apply for free milk.
12. **What if my income is not always the same?** List the amount that you **normally** receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

13. **What if some household members have no income to report?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. When this happens, please write “0” in the field. However, if any income fields are left empty or blank, those will **also** be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you **meant** to do so.
14. **We are in the military. Do we report our income differently?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food or clothing, or receive Family Subsistence Supplemental Allowance payments, these must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
15. **What if there isn’t enough space on the application for my family?** List any additional household members on a separate piece of paper and attach to your application. Contact your child’s school to receive a second application.
16. **My family needs more help. Are there other programs we might apply for?** To find out how to apply for SNAP benefits and to contact the Department of Social Services office in your town, contact United Way’s free referral number **2-1-1** (free call, statewide).

If you have other questions or need help, call 860-628-3286 EXT. 221 OR 220

Sincerely,

Nya Welinsky, Director
