To Parents:

We need your help in making the morning drop off of children by parents a safer process by eliminating the need for students to cross between cars to get to the building. Parents who arrive prior to 7:40 do not need to wait in their car until our entry doors open at 7:50 - this prevents staff from being able to access parking. Students may exit their cars and walk to the main entrance, or the Milldale Ave entrance, where they may wait safely until 7:50. Students may be dropped off at any time after 7:25 and before the busses arrive at 7:40 using the main parking lot entrance. Once busses begin to arrive cars are not allowed to enter our main entrance on South Main Street. Your help with this is greatly appreciated.
