

SOUTHINGTON HIGH SCHOOL 2022

Grade 11 Course Selection Worksheet

Parents and students are asked to complete course selection online on PowerSchool from **F** worksheet to help you determine the courses that you will select. The Program of Studies is available

Many required courses need a teacher recommendation. When you enter the Class Registration that your teacher has recommended. If you have questions about level recommendations, discuss contact teachers through e-mail. If you choose to take a course at a level other than that recommended SHS School Counseling Dept. website. Teachers may recommend other courses that are not required

Complete the online selection process by clicking on the Class Registration icon at the side of about this process is available on the SHS Website.

To make course selections:

- (1) click on the Class Registration icon at the side of the parent portal page of PowerSchool.
- (2) click on the pencil next to each subject area, including the courses that have been recommended
- (3) click in the box at the front of the course(s) that you want to take
- (4) click okay at the bottom of this pop-up screen

NOTE: There may be more than one page of available courses for each subject area. This is indicated by a scroll bar on the right side of the list. You should see everything on this sheet in PowerSchool.

NOTE STUDENTS WITH AN IEP: Requests for Special Education courses will be discussed and approved by the students counselor at a later date. Students should choose the course "11" from the parent portal.

After you have made all of your course selections, click Submit at the bottom of the page. Students should select a minimum of 6.5 credits.
