

# Talk Early. Talk Often. They are listening!

*Marijuana is UNSAFE if you are  
behind the wheel!*

Marijuana compromises judgment and affects many other skills required for safe driving: alertness, concentration, coordination, and reaction time.

Marijuana use makes it difficult to judge distances and react to signals and sounds on the road.

Source: drugabuse.gov

SAAC averaged the data taken from 3,286 high school student surveys in our region during 2011-12.

The results showed that an average of **69% of youth reported that there was "some" or "a lot of risk" associated with using marijuana.**
