

Student SSO Registration and Navigation

Creating a New Student SSO Account

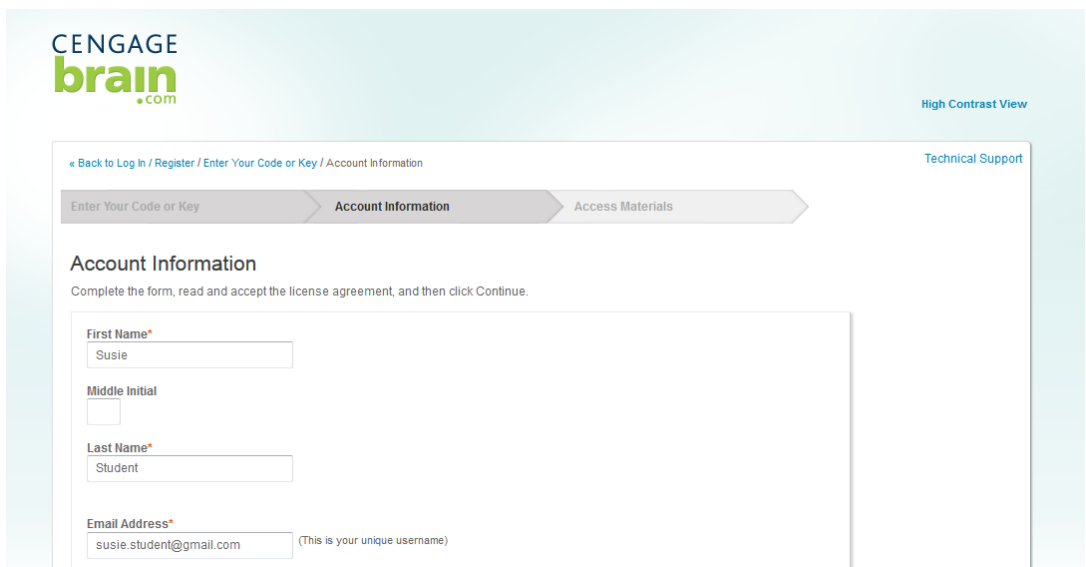

1. Go to cengage.com/login
2. Click on the “New Student User” button.

3. Enter your “Access Code” from your printed access card and click the “Continue” button. (Your teacher may provide an Enterprise License code for you to use. Both types of codes work the same way.)

4. Enter your account information and agree to the License Agreement.

5. Enter search criteria to find your school and click the “Search” button.

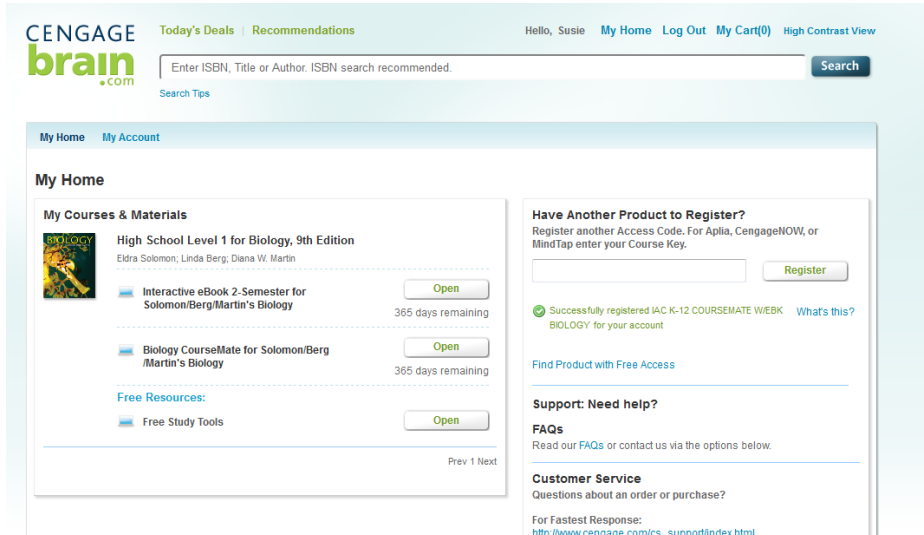

The screenshot shows the Cengage Brain website interface. At the top left is the logo 'CENGAGE brain.com'. At the top right are links for 'High Contrast View' and 'Technical Support'. Below the logo is a navigation bar with three steps: 'Enter Your Code or Key', 'Select Your Institution' (which is highlighted), and 'Access Materials'. The main heading is 'Select Your Institution' with the instruction 'To locate your institution, please select the location'. The form includes a 'Location*' dropdown menu set to 'United States'. Below this is the instruction 'Please select your institution type, enter the City and State, or Zip code then click Search'. There are two dropdown menus: 'Institution Type*' set to 'K-12 Schools' and 'Within*' set to '25 Miles'. Below these are two search options: 'Search by City and State' and 'Search by Zip Code'. Under 'Search by City and State', there are dropdowns for 'State' (set to 'Illinois') and 'City' (set to 'CHICAGO'). Under 'Search by Zip Code', there is a text input field containing '60640'. At the bottom of the form are two buttons: a green 'Search' button (highlighted with a red box) and a grey 'Cancel' button.

6. Select your institution by clicking on the bubble next to the school name and click the “Continue” button. (If your school is not listed you can contact Technical Support by clicking on the “Contact Tech Support” link at the bottom of the page.)
