Authorization for Medication Administration by School Personnel

Connecticut State Law requires a written order from an authorized prescriber (MD, DDS, OD, DO, PA, APRN or for interscholastic and intramural athletic events only - DP.) and parent/legal guardian/eligible student (18 years old or emancipated minor) authorization for both prescription and non-prescription medications.

All medications shall be delivered to the school by the parent, guardian, eligible student, or other responsible adult. The medication must be stored in the original labeled container as dispensed from the pharmacy or in unopened over-the-counter packaging. No more than a three-month supply of medication may be left at school.

- Parents/guardians should note the expiration date listed on the packaging before supply is dropped off at school.
- Parents/guardians are responsible for replenishing medication supply prior to the expiration date on the container.
