

Southington School Health Services Southington, Connecticut

Health Examination Requirements for Students Entering:

Pre K, Kindergarten, Grade 7, Grade 10

or

Entering from Out-of-State or Out-of-Country

The State of Connecticut requires each pupil to have a complete health examination within one year before entering Preschool, Kindergarten, Grade 7, Grade 10 or when entering from out-of-state or out-of-country.

No student entering Preschool, Kindergarten, Grade 7, Grade 10 or entering from out-of-state or out-of-country may start school without proof of the following prior to the first day of school:

Physical Form: "Health Assessment Record" completed within one year of school entry date

- This form must be filled out completely – parent/guardian fills out the front and the doctor completes the back. Doctor must include hemoglobin/hematocrit, vision, hearing, and all areas as mandated (starred*) under Connecticut State law.
- Copies of the form are available on our website at www.southingtonschools.org. They can be found by on the *Health Services* page, under *Health Forms*. You may also obtain a copy of the form through your building health office.

Tuberculin Risk Assessment and Skin Test:

- A tuberculin risk assessment is highly recommended for all students upon enrollment and is required for students enrolling from out of state.
- A tuberculin skin test is required for all students enrolling from out of country per the State of Connecticut.

Chronic Disease Assessment

- A chronic disease assessment is required.

Immunization requirements are attached and are subject to change in accordance to State laws. Consult your child's physician at time of visit.

- All students enrolled in Preschool are required by the State of Connecticut to have a flu vaccine administered prior to December 31st of the school year. If this requirement is not met, including having the vaccine on file in the school health office, the student will be excluded from school.

Please make note of the following:

- Students must have a completed physical on file with the school nurse prior to the first day of **Kindergarten**.
- During grade 6 to be completed by entry into grade 7, Southington Board of Education policy requires each pupil to have a health examination. The physical exam must be done within one year and before the first day of the school year entering grade 7. **No student may enter grade seven without this physical.**
- During grade 9 to be completed by entry into grade 10, the Southington Board of Education requires each pupil to have a health examination. The physical exam must be done within one year and before the first day of the school year entering grade 10. **No student may enter grade ten without this physical.**

Southington School Health Services Southington, Connecticut

- **Postural Screening** – Students who have been examined by their physician will be excused from the school postural screening for that year unless a parental request is made to the school nurse.
- **New Students from Out of State** – A physical exam done within one year will be accepted (must meet all requirements of Connecticut State Law and local health policies). A tuberculin risk assessment and chronic disease assessment are also required. If no proof is presented, the student will be excluded from school.
- **New Students from Out of the Country** – A physical exam completed by an authorized healthcare practitioner licensed in the United States must be done prior to enrolling (must meet all requirements of Connecticut State Law and local health policies). An authorized healthcare practitioner licensed in the United States stationed on U.S. military base anywhere is also acceptable. **A tuberculin skin test is required.** If the requirements are not met, the student will be excluded from school.

Sports Physicals - Students Grades 6 to 12 – According to Southington Board of Education policy, every student trying out and participating on a school sport team must submit a completed **physical examination form (Health Assessment Record)**. The State of CT Department of Education Health Assessment Record is the Southington Sports Physical form as well. The sports physical is valid for thirteen (13) months. You may wish to schedule your child's physical to coincide with any necessary sports physical for that school year.

1. The front side of the **Health Assessment Record** must be filled out and signed by a **parent/legal guardian**. This form is not considered complete without the front page.
2. The doctor must complete and sign the physical examination page of Health Assessment Record. These forms are available in the health offices and online.
3. All athletes interested in participating in sports at the high school or at either middle school must register online. www.familyid.com

If you are financially unable to meet these requirements and your child is receiving free or reduced hot lunch, please contact your school nurse and arrangements will be made with the school physician to conduct your child's mandated physical. **The State of Connecticut HUSKY Plan offers a comprehensive health care benefit package for Connecticut children up to age 19. Depending on your family's income, there may be no cost to you. Call your school nurse or 1-877-CT-HUSKY for more information.**

The Health Assessment Record should be on file by June 1, 2023, but no later than the first day of school when your child enters Preschool, Kindergarten, Grade 7 or Grade 10. This letter serves as ample notification of mandatory physicals to families whose children are entering preschool, kindergarten, grades seven and ten. Parents and students are advised that they can make an appointment with principals or school nurses to discuss issues they may have about the health examinations. If after this discussion the health assessment is not complete, your child will not be allowed to be enrolled until all requirements are met. This requirement includes all children new to Connecticut schools. Thank you for your cooperation.

Parents are urged to schedule a doctor's appointment well in advance of the deadline.

It is advised to keep a copy of your child's physical form for your records.

Please contact your school nurse with any questions.
