

Celebrate your child's birthday by joining the Birthday Book Club at the South End Library!

The Birthday Book Club is a great way to help our library grow. By donating a book in your child's name, you will honor your child on his/her birthday, help teach the joy of giving as well as receiving, and promote a love of reading.

During the month of your child's birthday (We will make-up September birthdays in November!) he/she will come to the library and select a book from our Birthday Bookshelf, which has new library books that are not yet in circulation. A nameplate will be placed in the book acknowledging the donation and your child will be the first to check it out. When the book is returned, it will become part of the circulating library collection.

If you would like to participate, please fill out the form below and return it to the office with a \$15 dollar donation. You may do this now, or any time up to May 17, 2017. We will celebrate summer birthdays in May.

Thank you for helping to build our South End library with great books!!
