

# The Second Annual Farmington Land Trust Film Contest

## Calling All Videographers ages 12-18!

If you live in the original Farmington township (Avon, Berlin, Bristol, Burlington, Farmington, New Britain, Plainville, or Southington), you can enter our 2<sup>nd</sup> Annual Filmmaker's Contest. Work alone or as a team to develop a video no longer than three minutes with themes focusing on the natural environment.

Videos must include at least one scene from a Farmington Land Trust property. Accompanying music or dialog must be original or open source. Use of license-protected sources without license disqualify your entry (e.g. don't sample popular music tracks). **Deadline for all submissions is November 30, 2019.** After the deadline, videos will be reviewed by a panel of judges for originality and demonstration of the mission and values of the FLT. Three top winners will receive cash prizes of \$500/\$250/\$100 to be awarded at our second annual film festival.

Submit videos to [ed.farmingtonlandtrust@gmail.com](mailto:ed.farmingtonlandtrust@gmail.com) as a YouTube link. Entrants should request a delivery receipt on their email submission to assure delivery. **Entries must include a completed entry form or they will not be judged.**
