Co-sponsored by
Southington Public Schools and
Southington Library & Museum

Kids who read succeed!

Dear Southington Parent:

The phrase “Kids who read succeed!” is more than a slogan. It is a reminder that the most valuable gift you can give to your child is the ability to read. Children who spend time reading have better vocabularies and comprehension skills and are more likely to excel in all academic subjects than children who do not read.

As the parent of a student entering kindergarten in 2019, you can give your child the key that will unlock the door to success – a library card. We invite you to bring your child to the Southington Public Library to get their very own card. Bring the attached registration form with you, or simply stop by the next time you are in town.

To give your child an educational boost, we have enclosed a copy of “Suggested Reading for Children Entering Kindergarten.” We look forward to getting to know you and your child as you embark together on an adventure of lifetime learning.

Sincerely,

Timothy F. Connellan
