Southington Public Schools will have one Kindergarten Registration Information Session for all parents who have children entering kindergarten for the 2019-2020 school year. This session will provide parents with some general information about the registration process and the day-in-the-life of a kindergartner. The opportunity to discuss details that are specific to each school will be available when parents attend their assigned school registration. Following a brief information session by the school administration and teaching staff, parents will have the opportunity to ask questions.
