

**WE NEED YOU AND ALL YOUR FRIENDS
TO SAVE A LIFE!**

UNITED WAY OF SOUTHLINGTON DAY OF ACTION

♥ BLOOD DRIVE ♥

August 20, 2018 9 am to 2 pm
Weichsel Municipal Center
196 North Main Street

Please join the United Way of Southington in helping provide this much-needed assistance to our local Cooley's anemia children (who require bi-weekly blood transfusions) and the hematology clinic at the Connecticut Children's Medical Center, where children with blood disorders are provided transfusions.

**Give blood on Monday, August 20!
Promote this event to your contacts!**

Our plan is to solicit town and school system employees, numerous local organizations, our entire Southington community, our agencies and businesses, and everyone you can think of to take part in the blood drive.

Thanks for all you do to support our community.

Contact the American Red Cross to schedule an appointment.

Regular, detailed updates will follow over the next several weeks.

Have a great day, and thank you in advance!
